

Prem. Westlon 7527 Ø38 mm

Properties

Stiwex Prem. Westlon Green is a universal paint roller made of 7 mm pile. The roller produces a surface with a medium structure. For use on even or slightly rough surfaces.

Use

Painting and varnishing of walls, ceilings, floors and woodwork, indoors and out. Can be used for all types of paint, also wood-oil and wood-protection. Wash the paint roller in water before use and stir the paint thoroughly before commencing work. Store the roller in airtight packaging when not in use and avoid storing in water.

Cleaning and Maintenance

Clean rollers using Brush cleaner, Basic cleaner or liquid soap.

Usefull Information

Disposal: Remove as much paint as possible from rollers before they are disposed of as small, burnable waste items.

Good practise

Remove as much paint as possible from tools before cleaning. Do not pour liquid paint residue or cleaning fluid down drains. Clean rollers thoroughly to remove any paint residue. Avoid putting a strain on the roller during drying and store it dry.

Please note!

The paint roller fits a Gable roller handle with a 2-piece handle made of 8 mm galvanised steel. Sturdy handle which fits an extension pole.
